# SITUATION SUMMARY

## Cal OES Activation Status

State Operations Center	Inland Region EOC	Coastal Region EOC	Southern Region EOC
Level 1	Level 1	Level 1	Level 1

### 911 Outage, Wawona, Mariposa County

- On 01/15/16 at 0903 hours the California State Warning Center (CSWC) received a report indicating that there was a 911 outage in Wawona, Mariposa County.
- The California 911 Branch advised the following at 1641 hours:
  - A Microwave Team is working each segment of the Microwave System in Yosemite clearing one a time. Microwave Technicians have cleared the Yosemite 61 Remote and has advised that the damage could be caused by an alignment problem at a repeater located near the El Capitan.
  - Due to the weather conditions, the crew will resume work tomorrow morning after 0900 hours. Two teams are scheduled to work on the damage in the morning. Per AT&T, an update will be provided on 01/16/16 at 1000 hours.
  - Yosemite National Park PD is not affected by this outage and is in service.
  - Wawona, Mariposa County CA with 539 ATNs affected (affecting the 209 area code).

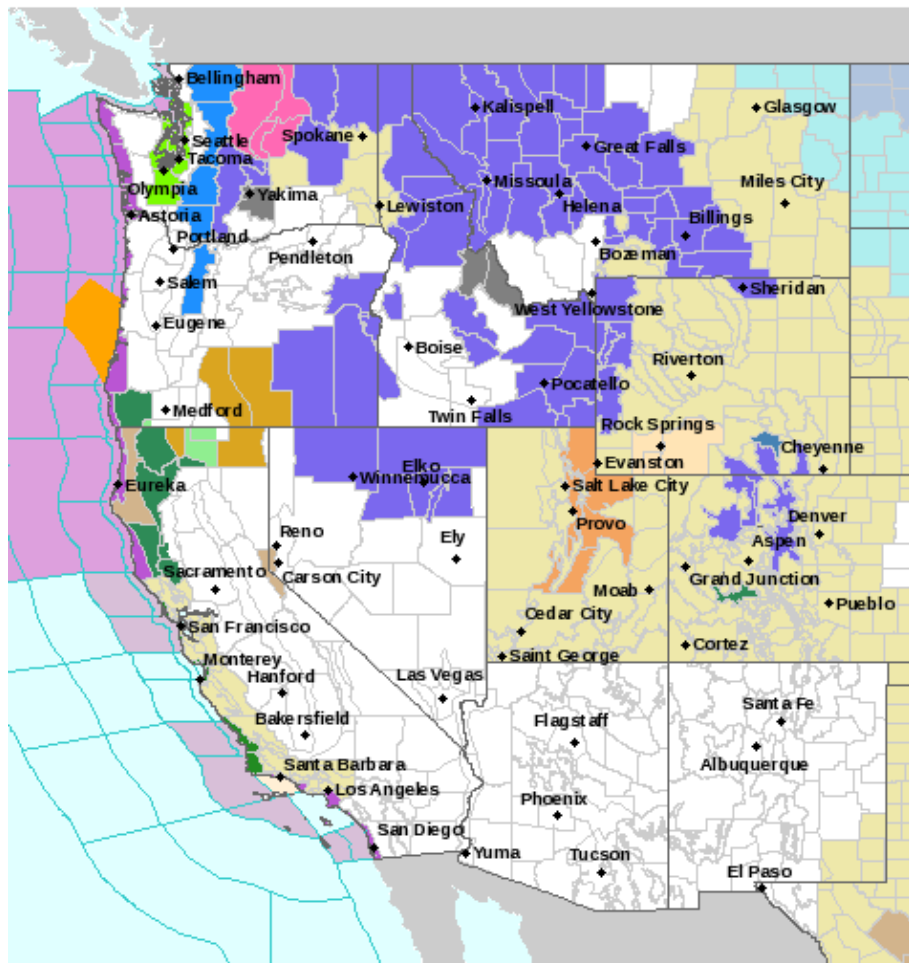

### Cal EOC Incident – 2014 Drought

- SOC / Inland REOC remains activated in support of 2014 Drought

# CAL OES 2014 DROUGHT

## Cal EOC Incident – 2014 Drought

- The SOC is activated in support of the Drought State of Emergency and continue to monitor the situation.
- The Governor issued Executive Order B-26-14 on 09/19/14, to streamline relief efforts for families with drinking water shortages due to drought, specifically through the California Disaster Assistance Act, to provide temporary water supplies to households without water for drinking and/or sanitation purposes.
- The Governor issued Executive Order B-29-15 on 04/01/15 which announced actions that will save water, increase enforcement to prevent wasteful water use, streamline the state's drought response and invest in new technologies to make California more drought resilient.
- CDAA 2014 Drought Fact Sheet and Frequently Asked Questions provided to Regions for reference and distribution.
- Cal OES Recovery continues to coordinate the Community Impacts Workgroup conference calls. Currently, the calls take place on alternating Wednesdays.
- Cal OES Recovery/Individual Assistance finalized an updated 2015 version of the drought brochure of programs and services for individuals, businesses, farmers, and ranchers. It has been put on the Governor's Drought webpage. State agencies may put the following link to the brochure on their webpage <http://ca.gov/drought/pdf/Drought-Assistance-Brochure-2015.pdf>
- Cal OES Regions (Inland, Coastal, Southern) collective OA drought call is facilitated by the SOC and will be held once per month.

# CAL OES 2014 DROUGHT

## Cal EOC Incident – 2014 Drought

# CAL OES MISSIONS

## New/Ongoing Missions

- **2016-LAW-20870 1/15/16 2055 hours:** Placer County requested assistance in the search for a skier missing from the area of the Sugar Bowl Ski Resort near Donner Pass. Placer County had a general location of the missing person based on a “ping” from a cell phone, and were requesting 20 Type I personnel to search an area with heavy recent snowfall and snow slides. The request was for a search starting 0800 on 1/16. A Nordic team of 14 from Contra Costa County was in the area doing training. They agreed to commit to the search. Additional personnel were obtained from the National Ski Patrol, Northern California Unit. **Mission On Going**

## New/Closed Missions

- **2016-LAW-20862 1/15/2016 1526 hours:** IERCC reported a SPOT activation at 35.87243, -116.61426, which plots to Inyo County, inside the Death Valley National Park. IERCC was able to make contacted with the reporting party via satellite phone. The party reported an injured off road motorcycle rider. IERCC had already notified the Park Rangers. I called the Park Rangers and confirmed that they had accepted the mission and had the needed resources. The Park Rangers had located the victim and were arranging medical transportation. No additional recourses were needed. **Mission Closed**

**Mission:**

We protect lives and property, build capabilities, and support our communities for a resilient California.

*We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.*
